Be sure to obtain a receipt for your records.
- d) If your Account is set for automatic replenishment using a credit/debit card or ACH account and a replenishment transaction declines, your Account will be changed to one-time payment method described in paragraph 7.c. above. You are still responsible for all tolls and fees charged to your Account. A valid credit/debit card or ACH account must be added to your Account to return to automatic replenishments. At that time, New Jersey **E-ZPass** will charge your new method of payment for any outstanding tolls or fees. Following payment of outstanding tolls or fees, the normal replenishment amount will be processed.

- i) Any overpayments made by you can be used to offset outstanding violations and/or balances owed to any New Jersey **E-ZPass** member agency.

- j) Your prepaid Account balance may be used to pay the toll and an administrative fee, as set forth in Section 21, per occurrence for violations that are incurred by vehicle(s) registered to the Account holder. If these charges cause your Account to drop below the replenishment threshold:
 - i) If your Account is set up to automatically replenish with a credit/debit card or bank account the payment method will be charged the full amount to return your Account to the replenishment amount.
 - ii) If your Account is set up as one-time payment the available balance will be used until the prepaid Account balance is zero. You will be issued a violation notice for the remaining unpaid balance, which will include an administrative fee, as set forth in Section 21.
